Legendary defense attorney F. Lee Bailey is one of the best-known and most controversial figures in the practice of law. He has been involved with many of the most high profile trials in America.

He is also the author of the new book, **“When The Husband Is The Suspect: From Sam Sheppard To Scott Peterson – The Public’s Passion For Spousal Homicides”**.

His book provides an overview of several of the most famous homicidal husband cases of recent years, including:

- **Sam Sheppard**, who inspired the TV series and movie *The Fugitive*

- **Jeffrey McDonald**, who became the subject of the bestseller Fatal Vision
- Mister Perfect, **Brad Cunningham**, who was convicted of bludgeoning his wife to death
- **Michael Peterson**, who was the subject of the IFC documentary series The Staircase and a Lifetime movie original starring Treat Williams
- **OJ Simpson**, whose dream team of lawyers defended the former pro-football player and movie star of the brutal murder of his ex-wife as the entire nation watched
- **Claus Von Bulow**, immortalized in the book and movie Reversal of Fortune
- **Robert Blake**, former TV star, who was suspected of engineering the death of his conwoman wife
- **Scott Peterson**, a philandering sociopathic husband who almost escaped arrest for the murder of his wife and unborn child.
- **Lambert "Bart" Knol**, who claimed he suffered from

"substance-induced persistent amnesia" when he was accused of killing his wife of 38 years

These cases and others are presented in an objective manner by a knowledgeable voice that recognizes that suspicion, and sometimes even conviction, are not always synonymous with guilt.

Jack Girardi, Partner at **Girardi & Keese**, one of America's Finest Law Firms, and lawyers, as always, brings out the most important key elements to the success of today's guests. He and his firm have been dedicated to working hard and getting the best possible recovery for its clients.
